The prestige and performance car club

P1 offers the ultimate way to drive the world's finest and fastest cars without the costs of ownership.

The club's second branch opens near Manchester in October 2006, with its own fleet of the latest prestige and performance cars for our 40 founder members to enjoy. After launch the P1 North fleet will continue to grow as further membership places are released by application, to include amongst others the Ferrari 599 GTB Fiorano, Lamborghini Gallardo Spyder and Bentley Continental GTC.
